Sèvres, 3 November 2021

Dear Prof. Neyezhnikov,

Following the application of the National Scientific Centre "Institute of Metrology" (NSC IM) and the recommendation from the CCM, the CCRI and the CCU, the CIPM at its 110th meeting (Session II) has agreed the following change to the members and observers of the Consultative Committees (Decision CIPM/110-21) and to grant to NSC IM, the following status:

- Observership of CCM
- Observership of CCRI
- Membership of CCU

The changes already appear on the BIPM website:
